THE NATIONAL UNION REPUBLICAN TICKET.

For President,  
ULYSSES SIMPSON GRANT.

For Vice-President,  
SCHUYLER COLEMAN.

BORN: J. M. ASHLEY.

Was nominated for Congress by the Convention at Napoleon, on Wednesday, June 1, 1868.

J. HALL withdrew his name as a candidate, in view of the publication of the Toledo papers, on Tuesday last.

DR. HIRAM FERGUSON of Napoleon, was nominated for Presidential Elector.

THE COUNTY TICKET.

The Republican County Convention was held at Bowing Green last Saturday, and a ticket placed in nomination worthy the support of every good citizen of the county. It was, perhaps, the largest Convention ever assembled in Wood County, and its deliberations throughout, though characterized at times with sharp discussion, were in the main marked with unanimity and harmony. The proceedings of the Convention will be found reported in full in this paper.

The candidates are well known throughout the county, and enjoy in an eminent degree the confidence and esteem of their fellow citizens. Many of them have served their country through the years in which we struggled for national existence, when trust and when honor marshaled their strong hosts to destroy the Government.

The Convention has given themselves in every way to the interest of the Confederacy, upon whom, and the people will rally to the colors of the Convention as on overwhelming majority.

W. H. ROBINSON, Secretary.

ALFRED M. RUSSELL.

The nominee for County Treasurer is uniformly esteemed, and has the experience to warrant his success in the discharge of the important duties devolving upon the position to which he has been chosen. He has a good military record, having served in the 14th Ohio, three months' campaign, and also in the 63rd, in its memorable career before Vicksburg. A soldier of honest purpose and unwavering integrity, he will make a capable and faithful officer.

J. W. ROBINSON, Secretary.

The nominee for Sheriff, although a young man, is well and favorably known in the country. The high esteem in which he is held is attested by the fact that three townships in which he is known cast a solid vote for him. In the War for the preservation of the Union, he served three years, and his military record is without blemish. He was a member of Company A, of the 18th Ods., and participated in the singular and hazardous fight of that gallant regiment. For seven years—months—months of cold, famine, anguish and death—he was a prisoner upon that terrible slaughter-ground, Belle Isle. In his devotion to his country, no one has given evidence more tangible, and in conferring favor upon him, the citizens of Wood County do themselves honor. In the capacity of Deputy Sheriff, for some time past, he has displayed a fitness for the office assumed by but few, and will, we are confident, discharge it so well, that he will be elected by an overwhelming majority.

DR. HIRAM FERGUSON.

The present incumbent, is recommended for the office of Clerk of the Court of Common Pleas. He has also been a good soldier, and has earned the country's faithfulness for the past two years in a manner satisfactory to all, and by his generally bearing upon all occasions has made himself the friend of many. His nomination was deserved, and was as much a matter of duty as of act of courtesy by the Republicans of Wood County.

DANIEL B. AMES,

The nominee for County Surveyor, we are not personally acquainted with, but those who know him, represent him as an experienced, first class surveyor, and his faithfulness and industry are guarantees that he will fill the position with credit to the county and honor to himself.

JOHN YEAGER,

The nominee for County Commissioner, we are confident, will prove to be the right man in the right place. He likewise served gallantly in the war as Captain of Company I, in the 11th Ohio. His military record is unblemished, and he shared the confidence and esteem of his brave comrades. As a man and a citizen he is held in the highest respect, and his industry, honesty and integrity of character give assurance that the duties and responsibilities of the important position to which he will be called will not have been reposed upon him in vain.
